RE: RESPONSE FOR ACTION LETTER MAILED 28 JULY 2004  
FOR APPLICATION 09/923311

Dear Sir,

RE : : TRANSMISSION ISSUES- DO NOT DUPLICATE.

While faxing this document twice earlier, transmission was disrupted. It appears that disruption was due to noise in the transmission line which deteriorates as the length of transmission increased in terms of time. From our last transmission, we noted that Appendix 1 failed to be transmitted in its entirety consisting of 9 pages. So we are appending this here to be faxed as part to be incorporated into our earlier fax submission dated 26 Oct 2004. We will attempt to resend the whole submission again in the next 12 hours to ensure that our submission is completely transmitted as a **WHOLE** in one transmission.

Total pages of this facsimile including this cover page is 10

Thank you

Yours truly,

Khai Hee KWAN
